

# *IN MEMORIAM*

The Fall Festival Committee dedicates the 20<sup>th</sup> Annual East Haven Fall Festival to the memory of AnnLynne Carlson. AnnLynne was a dedicated member of our committee for many years, working tirelessly to make the Festival a source of enjoyment and pride for the entire community. The sentiments expressed below by her family aptly describe the feelings of the committee members as well.

AnnLynne left us much too soon, but we will never forget her.

"AnnLynne Carlson was an incredible woman. Anything she ever did was out of love. She was the most giving person. She got such joy from making others happy. Her kind spirit and warm smile were gifts of their own."

"She treated everyone as if they were members of her own family. She was loved by all who knew her, whether it was through her store (Annie's House of Crafts), daycare (Little Buds Play Care), or the numerous town events she organized, such as the annual Christmas Tree Lighting or the Arts and Crafts section of the Fall Festival."

"Her creativity was unmatched, and she was always trying to bring art into everyone's lives: murals on the walls, paintings on the deck, an infinite number of kids' crafts in the garage. She loved to create and this was a gift that she shared so generously with all of us."

"Her determination should be an example to us. If Ann had an idea, she would make it happen no matter what. We should all strive to be as driven and determined as she."
