Dear Mrs. Vitale and Mr. Serio:

Please be advised that the School Building Committee has elected two members to act as liaisons between our committee and the Board of Education. These members are David Hausler and Stanley Seliga. Due to the large number of projects that we are currently undertaking, please add Mr. Hausler and Mr. Seliga's name to your agenda until further notice. They will present a monthly report regarding our projects and answer any questions that you may have.

Thank you in advance for your cooperation.

Cordially,

Joseph D'Albero  
Chairman – School Building Committee
