Agenda Item-Discussion of Fall Festival/Prevention Grant Activities

Mr. Petrucelli had asked all commissioners to come up with new ideas for this year Fall Festival in September. Possible activities are a pie tossing contest, dunking booth, rock band video game tournament and dance dance, revolution game tournament. Commissioner Recinos suggested a golden leaf hunt or scavenger hunt. Commissioner Emily Kuzma mentioned a mini pumpkin bash or pumpkin art contest. Commissioner Rob Fucci suggested a slot car racing game. Commissioner CJ Cofrancesco suggested a racing game within an obstacle course with the teens tied to bungee cords.

Possible ideas for inclusion in the alcohol, tobacco and other drug prevention grant include the After Prom, a series of public service announcements and town wide art project. Commissioner Recinos suggested a luggage/baggage activity to take place. This would be made up of individuals or teams and they would have to answer questions regarding alcohol, tobacco and other drugs. If they answer the questions correctly they get to remove a piece of luggage/baggage, if they answer incorrectly then they have to place another piece of luggage/baggage on them. The first team to remove their entire luggage would be the winners. Other possible ideas include drama club type skits or theater performances relating to prevention, family fun days and alternative activities for teens. Commissioner Varunes mentioned activities directed towards young children that promote decision making and teaching the kids what to do when they are mad or sad. These activities can include older students helping the younger students. Mr. Paul Cofrancesco suggested a scared straight program to educate youth on the

consequences of making decisions. These programs typically feature speakers who have been incarcerated.

Agenda Item-Teen Commissioners Report

Commissioner Cindy Recinos would like to see a Girls group to help teenage girls.

Agenda Item-Other

Commissioner Varunes mentioned the Youth Service Bureau, Family Resource Center, 6th grade students at DC Moore School and the East Haven Garden Club collaborated on a project that included educational sessions on butterflies and planting flowers and shrubs on the Green Way Trail near DC Moore School. Two sixth grade students in Mrs. O'Connell's class designed a brochure regarding butterflies.

Commissioner Varunes expressed concern regarding funding for the Family Resource Centers in the state budget. Currently there is no funding for any of the FRC's statewide in proposed budgets. The FRC is the only program in town offering educational child care services on a sliding scale.

Mr. Cofrancesco stated the support of the town council regarding the teen center program.

Mr. Petrucelli congratulated Commissioner Al Camera on being selected as one of this year Merit Award winners. Commissioner Camera was very excited and humble to have been chosen. All commissioners congratulated Commissioner Camera.

There are no meetings scheduled for July or August.

A MOTION to adjourn the meeting at 7:55 P.M. was made by Mary Varunes, Seconded by CJ Cofrancesco. Motion passed unanimously.

Respectfully Submitted,

Kelly Smith
