

## Specification

**Quality:** The Town of East Haven reserves the right to reject any proposal in whole or in part offering equipment and/or materials and/or services that in its or its agent's opinion does not meet the quality standards desired. Such decision by the Town Engineer is final and not subject to further recourse by the Bidder. Sieve Analysis under Technical specifications .

**Samples:** forwarded by the Bidder will be returned to the Bidder at his request and expense. Requests for return of samples must be submitted in writing at the time the sample is given to the Town of East Haven or its designated representative. Large pieces of equipment submitted for evaluation and inspection are to be picked up by the Bidder within 60 days of the Bid opening date. The Town of East Haven or its designated agent will dispose of items not picked up within 60 days.

**Award:** It is the intent to award this Bid in its entirety to one Bidder; however, the Town reserves the right to award the Bid line item by line item if it is deemed in its best interest to do so. In addition, Bidders are advised that should budgetary constraints dictate, part, and/or all the items in this bid may be rejected. This decision shall be considered final and not subject to recourse by the Bidder.

In determining the lowest or highest responsible Bidder, the Town reserves the right to consider, in addition to price, the compatibility, quality, cost of maintenance and availability of parts, experience and/or past performance of the Bidder, sufficiency of the financial resources of the Bidder as relates to the offerings as well as the ability of the Bidder to provide future maintenance and service.

## Specification

Documents previously submitted to the Town of East Haven will not be considered as satisfying submission requirements for this Bid.

No Bidder can claim any Contract rights by virtue of Bidding alone. Awarding of the Contract means actual written notice by letter and a properly executed purchase order to the Bidder or Bidders to whom the Bid has been awarded.

Option to Renew: This Contract may be extended for three (3) additional one (1) year periods, provided all terms and conditions remain in full force and effect except for the Contract period being extended. This option, if exercised, is to be executed in the form of a letter of agreement, to be used no later than 30 days prior to the expiration of the then current Contract period. This option to renew requires the mutual agreement of both parties. Refusal by either party to exercise this option to extend will cause this Contract to expire on the original or mutually agreed upon date. The total period of this Contract, including all extensions as a result of exercising this option, will not exceed a maximum combined period of five (5) years.

## Technical Specifications

Scope: The scope applies to the purchase of sand for snow and ice control. The Town reserves the right to use the same sand for other public works projects requiring the same material at the bid upon prices.

Estimated Quantity: The Town estimates that 1,500 cubic yards of sand may be needed under this bid. The quantity may vary depending upon needs.

Description: The sand shall consist of clean; hard; durable and uncoated particles of quartz or other rock and shall be free from lumps of clay, soft or flaky material, loam or other detrimental materials.

The sand shall contain no more than five percent (5%) of material passing the #200 sieve, using AASHTO Method T11.

The sand shall conform to the following grading requirements:

Square Mesh Sieve (inches)	% Passing by Mass
3/8	100
# 4	70-100
# 50	0-40
# 100	0-15
Finer Than # 200	0-5

Washed Sand, if supplied, shall be stockpiled at least twenty-four (24) hours before being sold to the Town.

In no case shall the sand be accepted that contains frozen lumps or other detrimental material.

## Technical Specifications

Material will be ordered and delivered in full truck loads. Delivery must be made within 48 hours under routine supply conditions and 24 hours under emergency conditions after the order has been placed by the Town.

Samples: A 3 gallon +/- sample of sand shall be delivered to the Department of Public Services Office; 461 North High Street, East Haven Connecticut Deliveries shall be left with the dispatcher. The samples shall be in enclosed containers and labeled as to the vendor name, telephone number, and source of all material. The Town reserves the right to check the source of the material and request copies of current mining and/or zoning permits for the site.
