Approval of Minutes

Commissioner Vellali made a **MOTION** to accept the minutes of the January 21<sup>st</sup> meeting and Commissioner Bellmore seconded. All were in favor, none were opposed and none abstained. **MOTION CARRIED.**

Old Business

Commissioner Bellmore asked Sal about the hearing aid system that was discussed a few meetings back and what its status was. It would definitely benefit the residents who might need it and the clerks could post on the agenda if someone attending a meeting need hearing device accommodations to please contact them. Sal stated he needed to wait for the budget to be finalized and perhaps place a line item for it. More information to follow at next month's meeting.

New Business

Sal stated that he is in the process of doing a self-evaluation for the State funding. He states the Town is in very good shape and he didn't feel there was anything that would hurt us for funding as our compliance is very good. Town buildings are in compliance, although there are a few small issues. He also explained the CDBG grant to the commission and discussed what was done in the past under the Urban Renewal Agency with helping low income residents fixing their homes.
