Public Session

Sue Stacey-82 Forbes Place, East Haven, CT

Sue read a letter she wrote to the commission regarding concerns she has and to make suggestions for the use of our facilities by non-residents especially in the beach area, the splash pad and the pavilion. A copy of the letter is attached to these minutes.

Vice-Chair Anastasio suggested that the parking stickers that are issued with resident tax bills be numbered. Ken McKay, a member of the Town Council stated that there will be a subcommittee formed to discuss remedies for this problem. A discussion was also held regarding the parking attendants and having a uniform system that all will follow and enforce.

Lori Pellegrino-5 Robby Lane, East Haven, CT

Lori stated she is worried about the parking being out of control and the attendants not doing the same thing. There have been times where one attendant refuses entry to a

car and the car would go over to the other lot with the other attendant and be let in. She also
