Vintage HomeCare was created in 2019 by Stephanie Geneus. Stephanie has worked in the healthcare industry providing bedside care as a nurse since 2008. Stephanie’s experiences led her to start a home care service that reflects the foundations of care; personalized, professional, and compassionate.

VHC is registered through the state of CT HCA 1682. Vintage HomeCare is also insured and surety bonded.

OUR CORE PURPOSE
To provide quality care that enriches the lives of our clients, as well as providing a peace of mind for their families.

WHAT IS VHC?
VHC is a non medical home care service. We provide personal care, homemaker and companion care to the elderly, disabled, postpartum women, post surgical, and others in need of assistance.

OUR CAREGIVERS
Trust is an important component for a healthy relationship. To ensure your safety our caregivers backgrounds are screened thoroughly. We provide training for caregivers to make sure you recieve the individualized care you desire.

***All caregivers are vaccinated against COVID-19.
