**DIRECTOR'S REPORT/SMALL CITIES**

Acting Director Benivegna introduced herself to the commission and stated that the Town is in the process of finding a Director and either she or the new hire should be at the next meeting. Chairman Moscato filled AD Benivegna in on the commission and what it does and explained about previous year grant applications.

Acting Director Benivegna stated that the Acting Finance Director Jim Keeley has an accurate accounting of the banking for the commission and she will be sure to have it at the next meeting as Commissioner Sand inquired about an audit which is included in the Town Audit, not separate like the Housing Authority. Chairman Moscato asked to have the clerk invite Peter Testa to the next meeting to explain the program and how it's run and give an update on where we are at this point with regard to open and closed projects.

Chairman Moscato asked about the 10 Rizzo Street project to see if it has been completed. Again, it is something for Peter Testa to answer. Also 182 Beach Avenue was sold and the commission wants to make sure that the Town has received all monies owed from the grant given to the homeowner. AD Benivegna asked to add Reorganization of the Commission to the next Agenda.
